Hello 4-Hers!!

Happy Summer! I can't believe that time is here for school to be out. To the 5th grade students I have enjoyed meeting with you each month during your classroom clubs. 4-H does not end in elementary school, there will be plenty of 4-H opportunities in middle school! In this newsletter you will find information about summer opportunities and some of the 4-H activities that have happened this past month. Summer time is a wonderful time to work on projects for state fair, if you have any questions about projects that can be entered give us a call at 270-388-2341. Don't forget if you are attending 4-H camp the MANDATORY orientation is **Friday, May 10th or Saturday, May 11th:**
